Dear students. from now on. your English will jump up to the eighth grade level. After elementary and junior high school seventh grade English language learning. you have learned hundreds of words. but also got some grammar. with some foundation. But to enter the eighth grade. stage. due to the learning content more. deeper and more difficult. prone to polarization phenomenon. Many students were learning the task increased. I could not interest in learning. the results began to decline. Eighth grade is also an important year for the junior secondary level. not sure if this year is good. it will give great ninth-grade learning difficulties. Therefore. in the eighth grade must make efforts to learn English. to lay a solid foundation in the examination. Then simply the accumulation of primary and seventh grade and teachers in the classroom in terms of how much students learn how much is not enough. we all aspects to develop self-learning ability. change to me to I want to learn. We can try the following aspects:...
