D, Baltimore, Md. ABOUT EXCHANGES. Has the St. Louis Courier of Medicine become defunct? It has not put in an appearance since the beginning of 1889. It was too good to die thus, --if it be indeed gone, the profession of the West deserve censure. The April number of the Archives of Pediatrics comes to us this month increased to eighty pages, and is especially interesting and attractive. It contains besides the regular monthly contributions by Jacobi on the Therapeutics of Infancy and Childhood and Forchheimer on the Medical Diseases of the Mouth, either...
