Brand New Book ***** Print on Demand *****.A SURROGATE DILEMMA tells the story of Andrew Noble, heir to the Noble Speciality Foods business. After leaving university he spends a year travelling the world then returns to the UK and takes up a position in Marketing in an electronics firm where over the next few years he builds his career eventually becoming Marketing Manager. But after that period of time there he believes that he is now ready to enter his family business in a position of some importance. However his father who heads the family firm disagrees and insists that he runs another business before joining Noble Speciality Foods and to this end arranges for Andrew to go to Africa to run a business there, learning the ins and outs of being head of a company, before allowing him to join the family business with an eventual view to him to succeeding him as Managing Director. Although reluctant but realising he has no option, Andrew agrees and soon discovers the trials and tribulations of being head of a business, especially one located in Zambia. However...
