

Manual of Geography and Language (Classic Reprint)

By Charles Eben Mann

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Manual of Geography and Language The discussions and suggestions that follow are the outgrowth of years of study and experience and in no case of untried theory. Each step of the course recommended and methods of study suggested in Geography has. been worked out by ample class-room experience from the Third Grade to the High School, inclusive. All the teachers that have used, for any considerable time, the plan for teaching Geography here given are enthusiastic in its praise, and the writer wishes to express his thanks to all such for their encouragement and intelligent co-operation in developing some plan more satisfactory than that of attempting to memorize a mass of facts, the true relation of which was never even seriously considered. It is to put the results, thus worked out, into a form more readily accessible and definite that the Board of Education has authorized the publication of this Teachers Manual. The suggestions made as a form for investigating the different topics to be studied will not need to interfere with the ingenuity of...
